The Party Crasher Sophie Kinsella, 2022-07-12. NATIONAL BESTSELLER. From the #1 New York Times bestselling author of *Love Your Life* comes a humorous and heartwarming novel about family and finding a second chance at love set against the backdrop of the most fabulous party you've ever snuck into. Sophie Kinsella keeps her finger on the cultural pulse while leaving me giddy with laughter. Jojo Moyes, author of *The Giver of Stars* and *The Last Letter from Your Lover*. It's been almost two years since Effie's beloved parents got divorced, destroying the image of the happy loving childhood she thought she had. Since then, she's become estranged from her father and embarked on a feud with his hot and much younger girlfriend, Krista. And now more earth-shattering news: They've sold Greenoaks, the rambling Victorian country house Effie has always called home. When Krista decides to throw a grand house-cooling party, Effie is originally left off the guest list and then receives a last-minute anti-invitation, maybe it's because she called Krista a gold digger, but Krista totally deserved it, and it was mostly a joke anyway. Effie declines, but then remembers a beloved childhood treasure is still hidden in the house. Her only chance to retrieve it is to break into Greenoaks while everyone is busy celebrating. As Effie sneaks around the house, hiding under tables and peeping through trapdoors, she realizes the secrets Greenoaks holds aren't just in the dusty passageways and hidden attics she grew up exploring. Watching how her sister, brother, and dad behave when they think no one is looking, Effie overhears conversations, makes discoveries, and begins to see her family in a new light. Then she runs into Joe, the love of her life who long ago broke her heart and who's still as handsome and funny as ever, and even more truths emerge. But will Effie act on these revelations? Will she stay hidden or step out into the party and take her place with her family? And truthfully, what did she really come back to Greenoaks for? Over the course of one blowout party, Effie realizes that she must be honest with

herself and confront her past before she'll ever be able to face her future [Shopaholic Abroad](#) Sophie Kinsella, 2012 For Rebecca life is peachy She has a job on morning TV her bank manager is being nice to her and the icing on the brioche is that she has been offered work in New York The Museum of Modern Art the Guggenheim and she does intend to visit them all but first Saks then Bloomingdales [The Language of Deception](#) Dariusz Galasiński, 2000 This book employs a discourse analytical approach to the study of deception It focuses on the deceptive messages themselves how language is used to deceive others and what kinds of linguistic devices are used The author develops a theory of deception based on his study of debates and interviews of American and British politicians
