**The Giver of Stars** Jojo Moyes,2019-10-08 1 NEW YORK TIMES BESTSELLER A REESE WITHERSPOON X HELLO SUNSHINE BOOK CLUB PICK A great narrative about personal strength and really captures how books bring communities together Reese Witherspoon From the author of The Last Letter from Your Lover now a major motion picture on Netflix a breathtaking story of five extraordinary women and their remarkable journey through the mountains of Kentucky and beyond in Depression era America Alice Wright marries handsome American Bennett Van Cleve hoping to escape her stifling life in England But small town Kentucky quickly proves equally claustrophobic especially living alongside her overbearing father in law So when a call goes out for a team of women to deliver books as part of Eleanor Roosevelt s new traveling library Alice signs on enthusiastically The leader and soon Alice s greatest ally is Margery a smart talking self sufficient woman who s never asked a man s permission for anything They will be joined by three other singular women who become known as the Packhorse Librarians of Kentucky What happens to them and to the men they love becomes an unforgettable drama of loyalty justice humanity and passion These heroic women refuse to be cowed by men or by convention And though they face all kinds of dangers in a landscape that is at times breathtakingly

beautiful at others brutal they're committed to their job bringing books to people who have never had any arming them with facts that will change their lives Based on a true story rooted in America's past *The Giver* of Stars is unparalleled in its scope and epic in its storytelling Funny heartbreaking enthralling it is destined to become a modern classic a richly rewarding novel of women's friendship of true love and of what happens when we reach beyond our grasp for the great beyond By the Book Amanda Sellet,2020 A teen obsessed with 19th century literature tries to cull advice on life and love from her favorite classic heroines to disastrous results especially when she falls for the school's resident lothario **Me and Earl and the Dying Girl** Jesse Andrews,2012-03-15 The New York Times bestseller that inspired the Sundance Grand Jury Prize winning film The funniest book you'll ever read about death It is a universally acknowledged truth that high school sucks But on the first day of his senior year Greg Gaines thinks he's figured it out The answer to the basic existential question How is it possible to exist in a place that sucks so bad His strategy remain at the periphery at all times Keep an insanely low profile Make mediocre films with the one person who is even sort of his friend Earl This plan works for exactly eight hours Then Greg's mom forces him to become friends with a girl who has cancer This brings about the destruction of Greg's entire life Mr Andrews often hilarious teen dialogue is utterly convincing and his characters are compelling Greg's random sense of humor terrible self esteem and general lack of self awareness all ring true Like many YA authors Mr Andrews blends humor and pathos with true skill but he steers clear of tricky resolutions and overt life lessons favoring incremental understanding and growth Pittsburgh Post Gazette One need only look at the chapter titles Let's Just Get This Embarrassing Chapter Out of the Way to know that this is one funny book Booklist starred review Though this novel begs inevitable thematic comparisons to John Green's *The Fault in Our Stars* it stands on its own in inventiveness humor and heart Kirkus Reviews starred review
