The Adventures of Pinocchio M. J. Carr,1996

The Adventures of Pinocchio Carlo Collodi,2021-09-14 A revelatory new annotated edition of the most translated Italian book in the world the basis for two new major motion pictures a Netflix animated version co directed and co written by Guillermo del Toro and voiced by Ewan McGregor Cate Blanchett and Tilda Swinton and a Disney Plus live action version directed by Robert Zemeckis and starring Tom Hanks Cynthia Erivo Joseph Gordon Levitt Lorraine Bracco and Keegan Michael Key A Penguin Classic Carved from a piece of wood by the old carpenter Geppetto the puppet Pinocchio comes to life and immediately starts to misbehave But while this beloved character has achieved literary immortality the novel has been widely misunderstood Pinocchio has a penchant for lying to be sure but it s when he avoids going to school that he repeatedly gets into trouble The Adventures of Pinocchio is thus not a cautionary tale about lying but an unusually timely fable for our

increasingly authoritarian times a story about the importance of education and of preventing others from pulling our strings This effervescent new translation captures the antic spirit that makes the mischievous egotistical and easily distracted Pinocchio a late nineteenth century prototype for the likes of Bart Simpson Featuring copious annotations informed by the translators deep knowledge of Italy it reveals the novel to be not only a subversively entertaining children s book but also a sophisticated satire reflecting the author s concern for the social inequality of his time and his belief that duty to others is at the core of our humanity For more than seventy five years Penguin has been the leading publisher of classic literature in the English speaking world With more than 2 000 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators
