*As the Crow Flies* Gail Hartman,1993-09-30 A look at different geographical areas from the perspectives of an eagle rabbit crow horse and gull      **As the Crow Flies** ,2016      Scale and Distance in Maps Julia J. Quinlan,2012-01-15 Without a scale the people reading a map could only hazard a guess as to whether the distance between two points on it is a matter of a few hundred feet or a few hundred miles This useful book teaches kids how to use a map scale to determine distance both as the crow flies and based on a particular route It also discusses working with map grids and using a map to plan a trip

**As the Crow Flies** Kitty Higgins,2004 A math class races from school to City Hall One team travels as the crow flies using a compass The other team uses a map Which team will win      **As the Crow Flies** Priya Raghubir,2015 Consumers make distance judgments when they decide which store to visit or which route to take However these judgments may be prone to various spatial perception biases While there is a rich literature on spatial perceptions in urban planning and environmental and cognitive psychology there is little in the field of consumer behavior In this article we introduce the topic of spatial perceptions as an area of research in marketing We extend the literature on spatial perceptions by proposing that consumers use the direct distance between the endpoints of a path or the distance as the crow flies as a source of information while making distance judgments the shorter the direct distance the shorter the distance estimate We study two spatial features that affect direct distance path angularity i e the size of the angle between path segments and path direction i e whether the path retraces back or not We further propose and demonstrate that the direct distance bias is due to the perceptual salience of direct distance and is used by consumers in an automatic manner Theoretical implications for the manner in which consumers process spatial information and the use of cognitive heuristics while making spatial judgments are discussed      **As the Crow Flies** Janet Street-Porter,1999 Following in the footsteps of her successful BBC2 1998 series *Coast to Coast As the Crow Flies* describes Janet Street Porter s attempt to walk the 350 miles from Edinburgh Observatory to Greenwich Observatory in a dead straight line She discovers a new way of walking the OS map isn t quite so handy when you can t stray off a line you ve drawn on a map What s more useful is a heavy clearing stick the power of persuasion and the patience of a saint Janet adopts the old ramblers cause of the right to roam discovering some of the most beautiful countryside in Britain as well as bargaining and begging her way into secure properties dodging Boeing 737s on take off and invading army bases and Saturday morning golf tournaments all in the name of completing this mammoth walk strictly as the crow flies      **Miss Rumphius** Barbara Cooney,1985-11-06 A beloved classic written by a beloved Caldecott winner is lovelier than ever Barbara Cooney s story of Alice Rumphius who longed to travel the world live in a house by the sea and do something to make the world more beautiful has a timeless quality that resonates with each new generation The countless lupines that bloom along the coast of Maine are the legacy of the real Miss Rumphius the Lupine Lady who scattered lupine

seeds everywhere she went Miss Rumphius received the American Book Award in the year of publication To celebrate the thirtieth anniversary of two time Caldecott winner Barbara Cooney s best loved book the illustrations have been reoriginated going back to the original art to ensure state of the art reproduction of Cooney s exquisite artwork The art for Miss Rumphius has a permanent home in the Bowdoin College Museum of Art      **As the Crow Flies** Craig Johnson,2013-05-28 It s the scenery and the big guy standing in front of the scenery that keeps us coming back to Craig Johnson s lean and leathery mysteries The New York Times Book Review The eighth Longmire novel from the New York Times bestselling author Land of Wolves Embarking on his eighth adventure Wyoming Sheriff Walt Longmire doesn t have time for cowboys and criminals His daughter Cady is getting married in two weeks and the wedding locale arrangements have just gone up in smoke signals Fearing Cady s wrath Walt and his old friend Henry Standing Bear set out for the Cheyenne Reservation to find a new site for the nuptials But their expedition ends in horror as they witness a young Crow woman plummeting from Painted Warrior s majestic cliffs Is it a suicide or something more sinister It s not Walt s turf but he s coerced into the investigation by Lolo Long the beautiful new tribal police chief      **The Way the Crow Flies** Ann-Marie MacDonald,2004 Madeleine learns about the ambiguity of human morality when a murder occurs on the air force base where she lives as a child and the lessons are reinforced years later when the search for the killer is renewed      **As the Crow Flies** Melanie Gillman,2017 A black teenage lesbian finds herself stranded in a dangerous and unfamiliar place an all white Christian youth backpacking camp
