The Affair Of The Necklace

The Affair of the Necklace Elizabeth Hand,2001 The Affair of the Necklace Edgar-Pierre Jacobs,2010 A necklace which used to belong to Marie Antoinette the last French Queen before the French Revolution turns up in the hands of a British collector who decides to present it to Queen Elizabeth Blake and Mortimer s sworn enemy Olrik is about to be tried in Paris but manages to escape and steals the precious piece of jewellery in front of their very noses The affair threatens to turn into a full blown diplomatic incident especially since Olrik is doing his best to embarrass Blake and Mortimer by tipping off the press about his every move *The Diamond Necklace* Countess De La Motte,2023-07-18 This gripping memoir tells the true story of a scandal that rocked the French court in the 18th century It is a must read for fans of historical true crime This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant The Affair of the Necklace Elizabeth Hand,2001-09-04 The child Jeanne Valois lost her family her home and her fortune to the greed of an influential aristocrat Now grown into a proud young woman of rare beauty and exceptional wiles she has gained entrance to the court of Louis XVI and exquisite reviled queen Marie Antoinette through an expedient marriage seeking restitution for what was stolen from her But Jeanne de La Motte Valois s entreaties have fallen on deaf royal ears inflaming her desire for justice and vengeance In an era of excessive splendor squalor and cruelty amid the myriad intrigues both dangerous and erotic that swirl around the powers of France the brilliant stratagems of a woman wronged will eclipse all others as infamy tragedy and death loom in the shadows of a conspiracy that begins with a breathtaking vision of diamonds and gold and ends with revolution How to Ruin a Queen Jonathan Beckman,2014-06-19 A hell of a tale and Jonathan Beckman gives it all the verve and swagger it deserves I read it with fascination delight and frequent snorts of incredulity The Spectator On 5 September 1785 a trial began in Paris that would divide the country captivate Europe and send the French monarchy tumbling down the slope towards the Revolution Cardinal Louis de Rohan scion of one of the most ancient and distinguished families in France stood accused of forging Marie Antoinette s signature to fraudulently obtain the most expensive piece of jewellery in Europe a 2 400 carat necklace worth 1 6 million francs Where were the diamonds now Was Rohan entirely innocent Was for that matter the queen What was the role of the charismatic magus the comte de Cagliostro who was rumoured to be two thousand years old and capable of transforming metal into gold This is a tale of political machinations and extravagance on an enormous scale of kidnappings prison breaks and

assassination attempts of hapless French police disguised as colliers reams of lesbian pornography and a duel fought with poisoned pigs It is a detective story a courtroom drama a tragicomic farce and a study of credulity and self deception in the Age of Enlightenment *The Queen's Necklace* Alexandre Dumas, Auguste Maquet, 1893 *The Affair of the Necklace* George Henry Allen, 1921 **The Necklace Affair** Ashley Gardner, Jennifer Ashley, 2011-07-10 London 1817 Captain Lacey agrees to help a society matron discover what has become of her expensive diamond necklace and to clear her maid who has been arrested for its theft Lady Clifford declares that the rival for her husband's affections has stolen the necklace but Lacey soon realizes that the problem is not so simple He quickly becomes enmeshed in scandal and past secrets and recruits Grenville and Lady Breckenridge to assist him As he investigates he finds himself competing with the underworld criminal James Denis for the necklace's retrieval The events in this novella occur between the end of The Sudbury School Murders and the beginning of A Body in Berkeley Square **The Red Necklace** Sally Gardner, 2008-05-01 A mysterious gypsy boy Yann Margoza and his guardian a dwarf work for the magician Topolain in 1789 On the night of Topolain's death Yann's life truly begins That's when he meets Sido an heiress with a horrible father An attachment is born that will determine both their paths Revolution is afoot in France and Sido is being used as a pawn Only Yann will dare to rescue her from a fearful villain named Count Kalliovski It will take all of Yann's newly discovered talent to unravel the mysteries of Sido's past and his own and to fight the devilish count **Confident Women** Tori Telfer, 2021-02-23 A thoroughly entertaining and darkly humorous roundup of history's notorious but often forgotten female con artists and their bold outrageous scams by the acclaimed author of Lady Killers From Elizabeth Holmes and Anna Delvey to Frank Abagnale and Charles Ponzi audacious scams and charismatic scammers continue to intrigue us as a culture As Tori Telfer reveals in Confident Women the art of the con has a long and venerable tradition and its female practitioners are some of the best or worst In the 1700s in Paris Jeanne de Saint Remy scammed the royal jewelers out of a necklace made from six hundred and forty seven diamonds by pretending she was best friends with Queen Marie Antoinette In the mid 1800s sisters Kate and Maggie Fox began pretending they could speak to spirits and accidentally started a religious movement that was soon crawling with female con artists A gal calling herself Loreta Janeta Velasquez claimed to be a soldier and convinced people she worked for the Confederacy or the Union depending on who she was talking to Meanwhile Cassie Chadwick was forging paperwork and getting banks to loan her upwards of 40 000 by telling people she was Andrew Carnegie's illegitimate daughter In the 1900s a 40something woman named Margaret Lydia Burton embezzled money all over the country and stole upwards of forty prized show dogs while a few decades later a teenager named Roxie Ann Rice scammed the entire NFL And since the death of the Romanovs women claiming to be Anastasia have been selling their stories to magazines What about today Spoiler alert these artists are still conning Confident Women asks the provocative question Where does chutzpah intersect with a uniquely female pathology and how were these notorious women able to so spectacularly dupe and swindle their victims **The Queen's Necklace**

Frances Mossiker, 2004 Four years before the French Revolution some priceless diamonds they cost 1 8m francs the price of a battleship were purchased in elaborate secrecy from the court jeweller of France presumably for Marie Antoinette and at her own instructions The necklace not yet paid for was delivered into the hands of Cardinal Prince de Rohan first prelate of the Church of France He in turn gave it to the Countess de La Motte Valois who claimed to be acting for the Queen Although essentially an innocent bystander amidst this chicanery Marie Antoinette became embroiled in a scandal which fatally weakened the monarchy *Elizabeth Taylor: My Love Affair with Jewelry* Elizabeth Taylor, 2002-09-30 Profiles the film star's collection of jewelry providing descriptions of her most noteworthy pieces and describing their representation of particular relationships and events in her life *L'affaire Du Collier* John Sweet, 1999 *How to Ruin a Queen* Jonathan Beckman, 2014 On 5 September 1785 a trial began in Paris that would divide the country captivate Europe and send the French monarchy tumbling down the slope towards the Revolution Cardinal Louis de Rohan scion of one of the most ancient and distinguished families in France stood accused of forging Marie Antoinette's signature to fraudulently obtain the most expensive piece of jewellery in Europe a 2 400 carat necklace worth 1 6 million francs Where were the diamonds now Was Rohan entirely innocent Was for that matter the queen What was the role of the charismatic magus the comte de Cagliostro who was rumoured to be two thousand years old and capable of transforming metal into gold This is a tale of political machinations and extravagance on an enormous scale of kidnappings prison breaks and assassination attempts of hapless French police disguised as colliers reams of lesbian pornography and a duel fought with poisoned pigs It is a detective story a courtroom drama a tragicomic farce and a study of credulity and self deception in the Age of Enlightenment Wild Game Adrienne Brodeur, 2019 On a hot July night on Cape Cod at the age of 14 Brodeur became a confidante to her mother's affair with her husband's closest friend Malabar came to rely on her daughter to help but when the affair had calamitous consequences for everyone involved Brodeur was driven into a precarious marriage of her own and then into a deep depression In her memoir she examines how the people close to us can break our hearts simply because they have access to them and the lies we tell in order to justify the choices we make adapted from jacket Where the Crawdads Sing Delia Owens, 2021-03-30 NOW A MAJOR MOTION PICTURE The 1 New York Times bestselling worldwide sensation with more than 18 million copies sold hailed by The New York Times Book Review as a painfully beautiful first novel that is at once a murder mystery a coming of age narrative and a celebration of nature For years rumors of the Marsh Girl have haunted Barkley Cove a quiet town on the North Carolina coast So in late 1969 when handsome Chase Andrews is found dead the locals immediately suspect Kya Clark the so called Marsh Girl But Kya is not what they say Sensitive and intelligent she has survived for years alone in the marsh that she calls home finding friends in the gulls and lessons in the sand Then the time comes when she yearns to be touched and loved When two young men from town become intrigued by her wild beauty Kya opens herself to a new life until the unthinkable happens *Where the Crawdads Sing* is at once an exquisite ode to the natural
