Butterfly Lampshade Aimee Bender, 2020-07-28 The first novel in ten years from the author of the beloved New York Times bestseller *The Particular Sadness Of Lemon Cake* a luminous poignant tale of a mother a daughter mental illness and the fluctuating barrier between the mind and the world On the night her single mother is taken to a mental hospital after a psychotic episode eight year old Francie is staying with her babysitter waiting to take the train to Los Angeles to go live with her aunt and uncle There is a lovely lamp next to the couch on which she is sleeping the shade adorned with butterflies When she wakes Francie spies a dead butterfly exactly matching the ones on the lamp floating in a glass of water She drinks it before the babysitter can see Twenty years later Francie is compelled to make sense of that moment and two other incidents her discovery of a desiccated beetle from a school paper and a bouquet of dried roses from some curtains Her recall is exact she is sure these things happened But despite her certainty she wrestles with the hold these memories maintain over her and what they say about her own place in the world As Francie conjures her past and reduces her engagement with the world to a bare minimum she begins to question her relationship to reality The scenes set in Francie's past glow with the intensity of childhood perception how physical objects can take on an otherworldly power The question for Francie is What do these events signify And does this power survive childhood Told in the lush lilting prose that led the San Francisco Chronicle to say Aimee Bender is a writer who makes you grateful for the very existence of language *The Butterfly Lampshade* is a heartfelt and heartbreaking examination of the sometimes overwhelming power of the material world and a broken love between mother and child

Ghost Boy Martin Pistorius, 2013-11-19 When you lose your voice who will speak for you When it all seems hopeless how do you get through each day In the New York Times bestseller *Ghost Boy* Martin Pistorius tells the harrowing story of his return to life through the healing power of love and faith In January 1988 a happy healthy twelve year old Martin Pistorius came home from school with a sore throat Soon he was sleeping all day refusing meals and starting to lose his voice His doctors were mystified Within eighteen months his voice fell silent and his developing mind became trapped inside a body he couldn't control Martin's parents were told that the unknown degenerative disease he was struggling with would mean that he had less than two years to live He felt invisible like a ghost of himself The stress and heartache shook his family to the core bringing his parents to the brink of separation Their boy was gone or so they thought Martin started to come back to life He couldn't make a sign or a sound but he'd become aware of the world around him again and was finally finding his way back to himself In these pages you'll hear the highs and lows of Martin's journey from his own perspective including A family's resilience in the face of hardship The consequences of misdiagnosis The gift of a wild imagination *Ghost Boy* shares the beautiful heart wrenching story of a life reclaimed a business created a family transformed and a new love that's blossomed Martin's emergence from his own darkness invites us to celebrate our own lives and fight for a better life for those around us

If She Wakes Michael Koryta, 2019-05-14 Two women fight for their lives against an enigmatic killer in this electrifying novel from a New York Times bestselling author and master of thriller writing Stephen

King Tara Beckley is a senior at idyllic Hammel College in Maine As she drives to deliver a visiting professor to a conference a horrific car accident kills the professor and leaves Tara in a vegetative state At least so her doctors think In fact she s a prisoner of locked in syndrome fully alert but unable to move a muscle Trapped in her body she learns that someone powerful wants her dead but why And what can she do lying in a hospital bed to stop them Abby Kaplan an insurance investigator is hired by the college to look in to Tara s case A former stunt driver Abby returned home after a disaster in Hollywood left an actor dead and her own reputation and nerves shattered Despite the fog of trauma she can tell that Tara s car crash was no accident When she starts asking questions things quickly spin out of control leaving Abby on the run and a mysterious young hit man named Dax Blackwell hard on her heels Full of pulse pounding tension If She Wakes is a searing breakneck thriller from the genre s best of the best Michael Connelly **Silent to the Bone** E.L. Konigsburg,2011-07-12 Connor is sure his best friend Branwell couldn t have hurt Branwell s baby half sister Nikki But Nikki lies in a coma and Branwell is in a juvenile behavioral center suspected of a horrible crime and unable to utter the words to tell what really happened Connor is the only one who might be able to break through Branwell s wall of silence But how can he prove Branwell didn t commit the unspeakable act of which he s accused when Branwell can t speak for himself **The Gift of Rain** Tan Twan Eng,2009-05-05 In the tradition of celebrated wartime storytellers Somerset Maugham and Graham Greene Tan Twan Eng s debut novel casts a powerful spell The recipient of extraordinary acclaim from critics and the bookselling community Tan Twan Eng s debut novel casts a powerful spell and has garnered comparisons to celebrated wartime storytellers Somerset Maugham and Graham Greene Set during the tumult of World War II on the lush Malayan island of Penang The Gift of Rain tells a riveting and poignant tale about a young man caught in the tangle of wartime loyalties and deceptions In 1939 sixteen year old Philip Hutton the half Chinese half English youngest child of the head of one of Penang s great trading families feels alienated from both the Chinese and British communities He at last discovers a sense of belonging in his unexpected friendship with Hayato Endo a Japanese diplomat Philip proudly shows his new friend around his adored island and in return Endo teaches him about Japanese language and culture and trains him in the art and discipline of aikido But such knowledge comes at a terrible price When the Japanese savagely invade Malaya Philip realizes that his mentor and sensei to whom he owes absolute loyalty is a Japanese spy Young Philip has been an unwitting traitor and must now work in secret to save as many lives as possible even as his own family is brought to its knees The Butterfly Tree Robert E. Bell,1959 The Beauty in Breaking Michele Harper,2021-06-29 A NEW YORK TIMES BESTSELLER A New York Times Notable Book Riveting heartbreaking sometimes difficult always inspiring The New York Times Book Review An incredibly moving memoir about what it means to be a doctor Ellen Pompeo As seen heard on Fresh Air The Daily Show with Trevor Noah NBC Nightly News MSNBC Weekend Edition and more An emergency room physician explores how a life of service to others taught her how to heal herself Michele Harper is a female African American emergency room physician in a profession that is overwhelmingly

male and white Brought up in Washington D C in a complicated family she went to Harvard where she met her husband They stayed together through medical school until two months before she was scheduled to join the staff of a hospital in central Philadelphia when he told her he couldn t move with her Her marriage at an end Harper began her new life in a new city in a new job as a newly single woman In the ensuing years as Harper learned to become an effective ER physician bringing insight and empathy to every patient encounter she came to understand that each of us is broken physically emotionally psychically How we recognize those breaks how we try to mend them and where we go from there are all crucial parts of the healing process The Beauty in Breaking is the poignant true story of Harper s journey toward self healing Each of the patients Harper writes about taught her something important about recuperation and recovery How to let go of fear even when the future is murky How to tell the truth when it s simpler to overlook it How to understand that compassion isn t the same as justice As she shines a light on the systemic disenfranchisement of the patients she treats as they struggle to maintain their health and dignity Harper comes to understand the importance of allowing ourselves to make peace with the past as we draw support from the present In this hopeful moving and beautiful book she passes along the precious necessary lessons that she has learned as a daughter a woman and a physician Not Fade Away Rebecca Alexander

(Psychotherapist), Sascha Alper, 2014 The inspiring memoir of a young woman who is slowly losing her sight and hearing yet continues to live each day with grace and purpose Thirty four year old Rebecca Alexander is a psychotherapist a spin instructor a volunteer and an athlete She is also almost completely blind with significantly deteriorated hearing Not Fade Away is a deeply moving exploration of the obstacles we all face physical psychological and philosophical Like The Diving Bell and the Butterfly Rebecca s story is an exquisite reminder to live each day to its fullest When Rebecca was twelve her parents were told that she would be completely blind before she turned thirty At eighteen she fell through a window shattering her body In college she found out that due to a rare genetic disorder Usher Syndrome Type III she was losing her hearing as well Since then she has earned two Master s degrees from Columbia University ridden a six hundred mile bike race hiked the Inca Trail and established a thriving career all while maintaining a vibrant social life In Not Fade Away Rebecca charts her journey from a teenager who tried to hide her disabilities to a woman who is able to face the world exactly as she is She meditates on what she s lost the sound of laughter and skies full of stars which she can now only imagine though she quips It s not like anyone can see stars in New York anyway and what she s found in return an exquisite sense of intimacy with family and friends who ve stuck by her and a profound appreciation for everything she still has Even though Rebecca inhabits a gradually darkening world she refuses to let that stop her from living life with joy and enthusiasm

Intoxicated by My Illness Anatole Broyard, 1993-06-01 Anatole Broyard long time book critic book review editor and essayist for the New York Times wants to be remembered He will be with this collection of irreverent humorous essays he wrote concerning the ordeals of life and death many of which were written during the battle with cancer that led to his death

in 1990 A New York Times Notable Book of the Year A heartbreakingly eloquent and unsentimental meditation on mortality Some writing is so rich and well spoken that commentary is superfluous even presumptuous Read this book and celebrate a cultured spirit made fine it seems by the coldest of touches Los Angeles Times Succeeds brilliantly Anatole Broyard has joined his father but not before leaving behind a legacy rich in wisdom about the written word and the human condition He has died But he lives as a writer and we are the wealthier for it The Washington Post Book World A virtuoso performance The central essays of Intoxicated By My Illness were written during the last fourteen months of Broyard s life They are held in a gracious setting of his previous writings on death in life and literature including a fictionalized account of his own father s dying of cancer The title refers to his reaction to the knowledge that he had a life threatening illness His literary sensibility was ignited his mind flooded with image and metaphor and he decided to employ these intuitive gifts to light his way into the darkness of his disease and its treatment Many other people have chronicled their last months Few are as vivid as Broyard who brilliantly surveys a variety of books on illness and death along the way as he draws us into his writer s imagination set free now by what he describes as the deadline of life A remarkable book a lively man of dense intelligence and flashing wit who lets go and yet at the same time contains himself in the style through which he remains alive The New York Times Book Review Despite much pain Anatole Broyard continued to write until the final days of his life He used his writing to rage in the words of Dylan Thomas against the dying of the light Shocking no holds barred and utterly exquisite The Baltimore Sun

The Power of Disability Al Etmanski, 2020-02-04 The author of Impact uses this compilation of inspiring stories of disabled people to convey ten important life lessons to help anyone This book reveals that people with disabilities are the invisible force that has shaped history They have been instrumental in the growth of freedom and birth of democracy They have produced heavenly music and exquisite works of art They have unveiled the scientific secrets of the universe They are among our most popular comedians poets and storytellers And at 1.2 billion they are also the largest minority group in the world Al Etmanski offers ten lessons we can all learn from people with disabilities illustrated with short funny inspiring and thought provoking stories of one hundred individuals from twenty countries Some are familiar like Michael J Fox Greta Thunberg Stephen Hawking Helen Keller Stevie Wonder and Temple Grandin Others deserve to be like Evelyn Glennie a virtuoso percussionist who is deaf her mission is to teach the world to listen to improve communication and social cohesion Or Aaron Philip who has revolutionized the runway as the first disabled trans woman of color to become a professional model The time has come to recognize people with disabilities for who they really are authoritative sources on creativity love sexuality resistance dealing with adversity and living a good life This book reminds us of what we have in common the power to create a good life for ourselves and for others no matter what the world has in store for us Michael J Fox Hopefully the universal lessons in this book will not only empower all of us to trampoline to our highest potential but also move the global disability rights movement to achieve the success it fully deserves so we can all live in a more just and equitable world Susan
