The Dead Romantics Ashley Poston, 2022-06-28 A New York Times Notable Book of 2022, The New York Times Bestseller, and Good Morning America Book Club Pick. I LOVED this book. Funny, breathtaking, hopeful, and dreamy. Ali Hazelwood, New York Times bestselling author of *The Love Hypothesis*. A disillusioned millennial ghostwriter who quite literally has some ghosts of her own has to find her way back home in this sparkling adult debut from national bestselling author Ashley Poston. Florence Day is the ghostwriter for one of the most prolific romance authors in the industry, and she has a problem: after a terrible breakup, she no longer believes in love. It's as good as dead. When her new editor, a too handsome mountain of a man, won't give her an extension on her book deadline, Florence prepares to kiss her career goodbye. But then she gets a phone call she never wanted to receive, and she must return home for the first time in a decade to help her family bury her beloved father. For ten years, she's run from the town that never understood her, and even though she misses the sound of a warm Southern night and her eccentric, loving family, and their funeral parlor, she can't bring herself to stay. Even with her father gone, it feels like nothing in this town has changed. And she hates it. Until she finds a ghost standing at the funeral parlor's front door, just as broad and infuriatingly handsome as ever, and he's just as confused about why he's there as she is. Romance is most certainly dead, but so is her new editor, and his unfinished business will have her second-guessing everything she's ever known about love stories. One of the Summer's Hottest Reads. Entertainment Weekly. *The Quick and the Thread* Amanda Lee, 2010-08-03. First in a new mystery series that will have readers stitching and itching for more. When Marcy Singer opens an embroidery specialty shop in quaint Tallulah Falls, Oregon, she throws a soiree, and a Stitch In Soon Marcy's sign-up sheet for embroidery classes fills up, and everyone in town seems willing to raise a glass or a needle to support the newly opened Seven Year Stitch. Then Marcy finds the shop's previous tenant dead in the store room, a message scratched with a tapestry needle on the wall beside him. Now Marcy's shop has become a crime scene, and she's the prime suspect. She'll have to find the killer before someone puts a final stitch in her.

Chasing the Dead Joe Schreiber, 2006-09-26. You have a very lovely little girl, breathed the voice on the phone. And just like that, Susan Young is drawn into a living nightmare. A stranger has kidnapped Sue's daughter, Veda. But he doesn't want her money; only her suffering, and he will kill Veda if Sue doesn't follow his every command. With detailed instructions, the faceless abductor leads Sue into a blinding snowstorm on the longest night of the year to a place she has not traveled to since childhood. The voice on the other end of the line somehow knows Sue's deepest, most chilling secret, an ominous incident from her past buried long ago. Across the loneliest back roads of Massachusetts, in the black expanse of a New England winter, Sue is forced to confront her most awful fears as she is met at each step by ever-increasing horrors created by a monster who is surely something less than human. In the hope of saving her daughter from a kidnapper whose origin seems darker than anything she could ever have imagined, Sue will discover just how much trauma and fright the

Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
